Title: “Communion Finding Perspective”

Main Bible Passage: 1Cor.11:23-28

Big Idea: Communion or rather our participation in communion helps us find perspective and make any necessary adjustments to our thinking, our behaviour and our outlook to help us live with a Kingdom perspective.

Application: We must integrate the foundational perspective of Communion into our internal perspective enabling us to live with an eternal or Kingdom perspective.

Read: 1Cor.11:23-28 For I received from the Lord what I also passed on to you: The Lord Jesus, on the night he was betrayed, took bread.....

Discussion Questions:

1. Who had difficulty opening the communion kits?
2. Have you experienced times when there has been a disconnect between the foundational perspective of communion and your internal perspective? Take some time to share. Were you able to reconcile your internal perspective to the foundational perspective of Communion and if so what helped you?
3. What can we do to help keep our internal perspective in agreement with the foundational perspective of communion?
4. What do you think living with a Kingdom perspective looks like?
